The entire CowGirls sale offering, has been genomic tested (HD50K). We are pleased to work with Zoetis in this project. Triple S and Lazy MC programs are dedicated to providing the Red Angus industry with a top quality consistent product, backed by leading edge genetics and technologies. Our entire 2014 bull sale offerings will also be tested. Updated EPD's and results will be available sale day.

Online Purchasing

We invite those of you who are unable to attend the sale to be part of the action! With the help of Direct Livestock Marketing Services we are now able to give you a live connection to this event. Real time bidding will be available via the internet. Live audio and video will allow buyers to bid on animals as if they were present at the sale. Please find instructions for viewing and bidding at the back of this catalog. To be approved as a bidder or if you have any further questions please e-mail Mark at **- mshologan@dlms.ca** or call **780-699-5082**

Video Sale

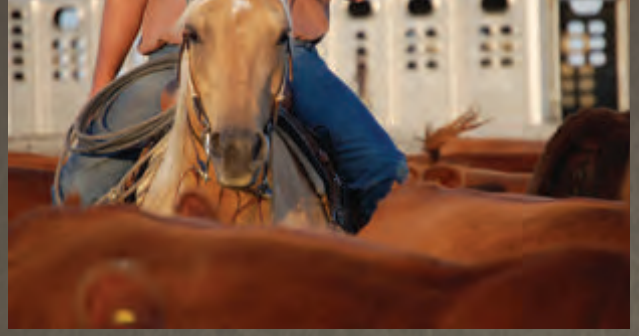
All females will be video'd ahead of the sale. Video clips of the sale lots can be viewed on line at www.sssredangus.ca, www.lazymcangus.com or www.cattlevids.ca. We can alternatively send you a DVD if your internet connection is incapable. The auction will be conducted using large screen video. All females will be penned near by for ease of viewing. Video production by Morton Molyneux, Lethbridge, AB - 403.327.2612 - www.k2com.com.

Directions to Sale Barn

Sale to be held at the SSS Red Angus' North Sale Facility
From Cochrane: Head South on Hwy 22 aprox. 10 miles where #22 and #1 (Trans Canada) meet. Take the #1 West towards Banff - go aprox. 10 miles to Sibbald Creek Trail Exit, take a right then right again on the gravel road and follow the signs.

Terms

Payment due at time of purchase. All cattle sell under the standard terms and conditions of the Canadian Angus Association. EPD's in this catalog are the most recent available at press time. Any announcements made sale day supersede information printed in this catalog.



Welcome

On behalf of the Lazy MC & Triple S crews we would like to invite you to attend the third annual 'CowGirls' sale on Saturday, October 26, 2013.

With a 'quality not quantity' approach to selecting the genetics we offer in this sale, you can be very confident in their production value.

We have an outstanding set of Red Angus cattle for sale. Heifer calves that are leading edge and represent some of the newest outcross genetics available. The bred heifers are easily one of our strongest line-ups to date. The services they carry are breed leading in calving ease, balanced performance and phenotype. The donor cows, embryos and semen offered, truly showcase our programs.

At Triple S and Lazy MC, our focus has always been on herd improvement for the commercial cattleman. We use a moderate, trait-balanced approach; using all of the technologies within the industry to evaluate the genetic merit of our cattle.

In addition to the purebred lots, we are showcasing commercial Angus influence females from some of our highly valued customers. They are featured at the back of this catalog.

Youth in agriculture is the key to any breeds success. As a special invitation to our Junior Angus breeders, we are offering a 10% discount on any heifer purchased in our sale. Details are also found at the back of this catalog.

For further information please contact us at any time. We will enjoy dicussing the sale offering with you. Thank you in advance for your support and interest in our programs!

Regards,

The Sibbald & Morasch Families

RED LAZY MC STOUT 30S — RED LAZY MC STAR 185M
RED LAZY MC SCYTHIA 78N — RED LAZY MC STAR 100J

Cowboy Cut has left his mark on Red Angus history from his own show accomplishments through to his progeny. The consistency and quality of the Cowboy Cut offspring continue to impress us with a long list of high sellers and countless show wins. The progeny and semen sales remain at the top worldwide! The Cowboy Cut daughters in this sale provide an excellent opportunity to obtain a part of this legacy. Semen available.

Owned by Lazy MC, Bar-E-L and Solution Genetics

Red SSS Soldier 365W

If you buy them for what they produce then 274Z could be one of the best. The history of "Ole" daughters is well documented here at SSS. They have produced bulls like Soldier ($22,000), Drifter ($10,000) Break Out ($16,000), and Traverse ($30,000) to name a few. Backed by 730F an `Elite Premier Dam" designated by the CAA. She has recorded 33 progeny to date, 6 sons have been used in our program to date. Her sire, Boomer continues to be the most influential Rambo son ever used in the Red Angus industry.

Any questions please call Dave @ 403-850-7736

A rare opportunity to enhance your program through a flush of the reigning Agribition Champion Female and RBC Top 10 Finalist. The sire is a maternal master piece that has an extended pedigree that includes breed legends Make My Day and Highline 402M. The maternal side of the pedigree includes Miss Stocky 82K and 2M who also hold the title of Agibition Champion and RBC Top 10 Finalist. This female has proven through her first calf, Red Wildman Curve 207Z co-owned with Brylor Ranch that her genetics are the next step for advancement of your program.

47R has been an outstanding producer with ratios on 7 calves of 109 & 103. Her highlights include a $12,500 Redman son to Pieper Red Angus and MacIntyre Ranch. She was the maternal grand dam to the $10,000, 2012 US National Champion bull, Red Lazy MC Eye Spy 64Y owned with Welsh Prairie Red Angus. Her embryos have been sold to Britain, Germany and Australia. She was Reserve Senior Champion Female at Agribition 2012 in her only time shown as a 7 year old cow. Calving ease, balanced performance and outcross pedigree, imagine the possiblities!

67R is our top producing 'Smash' daughter. Her production record includes a long list of accomplishments. Her sale topping progeny include the $21,000 Red Lazy MC Kingman 16W working at Ter-Ron Farms and Towaw Cattle Co. and Red Lazy MC Miss 9X, show champion and top donor for A1 Land & Cattle, TX. Her dam, 70N, is working for NCJ Cattle Co. and has a super bull calf at side again this year. Embryos on 67R have been sold around the world including Germany, Australia and the U.S. Damar Farms, WI, has had terrific results with 67R progeny. We look forward to the genetic advancement and industry influence this donor will continue to have.

185M has secured her position here at Lazy MC! Since being named the 2009 World Angus Forum 'Premier Dam' she has continued to produce sale topping progeny. Her most notable being 'Cowboy Cut' and 'Lookout 37U'. Her influence in our program gets stronger every year as we add sons as herd sires and direct daughters as herd builders. 185M continues to produce embryos averaging 15 per flush. This is a once in a lifetime opportunity to invest in a donor cow that can produce herd bulls and show winning daughters - she has proven it time and time again!

1) Red Lazy MC Star 63Z - March 2012 daughter of Soldier/185M - Watch for her at fall shows
2) Red Lazy MC Star 30Z - $5000 Red Roundup heifer calf to Goad Angus, Alberta

The Lazy MC pick of the herd bull calf lot is set to be a tradition in the `CowGirls' event. As with every year, we offer this purchasing opportunity with great anticipation and excitement.

Red Lazy MC Trooper 21Y was the $20,000 selection for Lakeview Ag & Cattle, ID in the 2011 sale. He went on to be the most decorated bull calf in the 2011-2012 show season. Watch for him at Denver 2014. His semen packages also sell in this years event.

In last years sale. Red Lazy MC Sergeant 97Z was the high selling $22,000 pick to Strawberry Ridge Reds, MT. 97Z was a member of our class winning pen of bulls at the Medicine Hat Pen Show and has been a strong breeding sire for the Frazier and Newberry families. Watch for him at World West and NILE this fall - semen packages will be available. These young sires are already leaving their mark and this years offering is poised to set the bar even higher!

Our 2013 calf crop includes some great individuals from each of our sire groups including Soldier, Tradesman, Forum, Eye Spy, Trooper and New Attraction. The new buyer will have until February 2014 to select a herd bull. Some of the bull calves will be shown at the fall events and Denver.

Our program has focused on a balanced design including calving ease, performance, fleshing ability, maternal strength and phenotype. Our black/red carrier influence offers out-cross genetics with many dams out of elite sires including Red RMJ Redman 1T, Red Lazy MC Cowboy Cut 26U and Red Lazy MC Smash 41N. We feel confident in the direction we are taking and always strive to improve every aspect of the herd from carcass information to maternal ability. Once again, some of our best calves are out of first calf heifers.

Selling 1/2 interest and full possession.

Ambush is a moderate, easy fleshing beef bull with the balance and eye appeal we desire. We are using Ambush to improve maternal traits and hold the line on frame while maintaining the easy doing efficient cattle we like. His pedigree is full of leading cows like Jinny 26C, Soapy 770L, Joe 369S(Kuruba), Kuruba 622F and 842L along with known herd building sires like Knight, Red Lightning, Patriot and Boomer. His Dam, 369S could be the most talked about cow at SSS. Her phenotype is flawless with excellent udder quality. She has a Trapper bred heifer in the "keeper" pen and a Break Out 114Y heifer calf at this point that is untouchable.No semen has ever been released on 771X. This will be the only semen available on 771X for the 2014 breeding season.

Since being the $20,000, 2011 'CowGirls' sale topping bull calf to Lakeview Ag & Cattle, Trooper has developed into a tremendous breeding bull. He is a dark red, long sided, easy fleshing sire. He will fulfill the expectations his phenotype provides siring both high sellers and champions with structural integrity, desirable muscle, bone, body and hair. Use Trooper with confidence!

Venom is possibly one of Cowboy Cut's top sons. He is also backed by one of the breeds top dams, HXC Jolene 301N, making him a maternal brother to ABS sensation HXC Jackhammer. Venom was a class winner at the 2012 Red Roundup bull futurity and 2013 Denver Stock Show. He is developing into a powerfully made herd sire with tremendous shape, structure and fleshing ability. He was a top indexing bull, and his EPD profile is also at the top of the breed. These are the first packages offered for sale on Venom. He will only be available at this event and The Red Roundup sale in Red Deer. Don't miss the opportunity to acquire leading edge genetics that are exclusive!

Soldier is once again a `CowGirls' sale feature. He continues to impress as his progeny are admired for their show ring style, structure and muscle shape. The daughters on offer today are an example of his consistency and siring ability. They are, without doubt, a superb set of females! Soldier combines two truly unique parents - a sound, proven and balanced pairing that shows through into his extraordinary offspring. Soldier is a sound, quiet dispositioned herd sire that stands on a near perfect foot with good bone. With his dark, cherry red hair coat and calving qualities, what's not to love? Soldier sells in his entirety along with 100 units of exportable semen. Please contact us to discuss semen sales and marketing opportunities. Don't miss the chance to add one of the most exciting, proven herd bulls to your program.
