SELLING 70 RED AND BLACK ANGUS YEARLING BULLS

BULL SALE

*The program you
can depend on.*

MARCH 18, 2024 AT 1PM MST AT THE SSS NORTH SALE FACILITY

Welcome to our 51st Annual Bull Sale, on behalf of Mary Beth and myself, Dylan, Karissa, Laina and Hayes. We are proud to offer this year's set of bulls, our most uniform and consistent set we have ever produced.

The past few years, Mother Nature has presented many challenges across the Beef Cattle Industry, but here we are, ready to take on another year. Opportunities ahead look very positive for an extended period of time. How we try to position our operations to capitalize on these opportunities is a welcoming and challenging endeavor.

We have strived for balanced trait selection for many generations, not chasing fads, but consistent, uniform genetics that progress in the pasture as well as in the feed yard.

Our bull calves weaned off heavier than any other year, in a drought no less. We attribute this to the new sires we have incorporated into the program. Luster, Purple Rain and Tanker bring length, muscle and capacity while maintaining the phenotype we favor. Our calving ease lines added Captain to support the Tempo and Granite sire lines.

We provide as much information as possible to aid in your selection decisions to achieve your breeding goals within your herd. What you don't see is some of the criteria we rank very highly in our selection process. *Calf Vigor*...nothing makes it to the bull pen if they don't get up and nurse within minutes of birth; *Mothering Ability*...if we have to intervene in any way they do not make it; *Udder Quality*...we do not score every udder here, but cull the ones that do not meet our standards; *Fleshing Ability*... we have never tolerated skinny cows, they cost too much to keep up with the rest; *Environment and Management*...we strive to match the animal to our ranch environment, with extended grazing seasons, fewer inputs, less labor, happier cows...happier people.

We are here to assist you with your selections and provide information. Our cow herd is always available for a tour, give us a call and we would be happy to discuss our program and bull pen with you.

If you have never been to our sale, we invite you to come see what we have to offer and find out more about our program. To our many loyal, generational customers, we look forward to seeing you.

Sincerely,

The Triple S Team

Dave and Mary Beth

Dylan, Karissa, Laina and Hayes Sibbald

It such a joy touring at Triple SSS as there is no other ranch with their backdrop. The attention to detail is evident everywhere you look, but none more apparent than in the cow herd. If you have never taken the time to see one of the most impressive cow herds, you should book your tour!

The cow herd utilizes a customized mineral program that is balanced throughout the year, which supports proper bull calf development from a young age. The bull feeding program is built to maximize forage utilization and gut health; they are developed on grass with their moms and then moved onto a balanced TMR that promotes lean muscle. The bulls are challenged with a foraged based TMR to help them develop to their genetic potential. Organic minerals are used to ensure proper immune function and overall health. Triple S uses a total nutrition program on their entire operation, ensuring optimal cattle performance. If you have any questions about the nutrition of the sale bulls, please feel free to call.

Best of luck on sale day!

SALE TERMS

TERMS Unless previously arranged with an individual consignor, terms of this sale are cash or cheque, payable in Canadian funds. US exchange rate will be announced from the block on sale day. The animal becomes the responsibility of the purchaser as soon as sold.

BREEDING GUARANTEE All animals sold are guaranteed breeders. Any animal that has not proven itself within 6 months of sale, if in healthy condition, may be returned to the seller at the buyer's expense. The seller reserves the privilege of trying for a 6 month period to prove the animal a breeder. The seller at his option may either return the purchase price or replace the animal with another of equal quality in full settlement and satisfaction of all claims. Any complaints regarding any animal in this sale shall be made to the breeder.

All bulls will have passed a semen evaluation conducted in March.

All complaints must be reported in writing by the buyer to the seller within 6 months and any animal returned must be free of disease and in good health.

LIABILITY Purchaser must look to the seller for fulfillment of all guarantees made hereunder. At no time will Triple S Red Angus be liable for more than the original purchase price of the sale animal or equal compensation for that original purchase price.

ACCIDENTS Although every precaution will be taken to protect the safety of the buyer, neither the sale management, nor any owner assumes responsibility in this matter and disclaims any liability, legal or otherwise in the event of accident or loss of property.

DISPUTES In case of disputes bidding will be reopened between the parties involved. If no further bid is made the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision will be final in such matters.

ANNOUNCEMENTS Errors discovered in the catalogue will be corrected by announcement from the auction stand at sale time and such corrections will take precedence over the printed matter in the catalog.

PEDIGREE TRANSFER The Canadian Angus Association has begun storing pedigrees electronically in an effort to be more environmentally friendly. Your registration papers will be transferred to you but you will not receive a "hard copy" unless you request it from the Canadian Angus Association. You can access your bull's pedigrees online on their website: www.cdnangus.ca
